Amy,

During October and November of 2012 the EPA mailed 104(e) Information Request letters to the following seven parties:

- Ashland Inc.
- Canal Barge Company, Inc.
- Cenac Towing Co., L.L.C.
- Chromalloy American Corporation
- Dean, Mr. Lynn B.
- [Kirby Inland Marine, LP](#)
- Sabine Towing & Transportation Co., Inc.

The EPA received timely responses from all seven parties. Narratives in six responses contained only non-classified information. The Kirby response contained information that Kirby claimed was confidential business information and entitled to protection under 40 CFR2.201 ET. SEQ.

For the above reason I'm giving you a DVD that contains images of responses from only the following six parties:

- Ashland Inc.
- Canal Barge Company, Inc.
- Cenac Towing Co., L.L.C.
- Chromalloy American Corporation
- Dean, Mr. Lynn B.
- Sabine Towing & Transportation Co., Inc.
